

www.Blockout.net online !

Contributed by Administrator
Monday, 25 June 2007

www.Blockout.net is now online. Kate Jones, President and Founder of Kadon Enterprises, Inc., kindly gave permission to use the trademark Blockout (tm). I hope you will enjoy this Blockout - dedicated website and participate in the forum and wiki.

And do not forget to visit <http://www.gamepuzzles.com> - they have fine, handmade Puzzle games, including the original Blockout board game, a subgame of QUINTILLIONS®.
